

In accordance with the statewide "stay at home" order, CPAH's physical office will be closed until further notice but we remain available to serve the community. CPAH staff will be working remotely and can be reached at the same telephone numbers and email addresses that you would normally use. Below are additional community resources that can be helpful during this difficult time. We will continue to keep you updated on CPAH's response to the COVID-19 pandemic and additional resources as they become available. Please call or email if we can assist in any way.
